MEMBER RELEASE FROM LIABILITY WAIVER

This year we had an insurance audit. We are now required to not only sign a yearly liability waiver but also watch a safety video. The liability waiver and video are now posted on our website, the waiver must be completed on the web site and stored electronically so they are accessible for any potential future audits. If you do not have access to the web site you can stop at the club and fill out the waiver on the kiosk in the gun store. Once completed the waiver will expire in one year and you will be required to complete the video and waiver each year.

Each member MUST watch the video and sign the liability waiver.
Scan the QR code to take you directly to the liability waiver or visit the website.
